10. Comments from the Audience

The O'Hare Noise Compatibility Commission provides a public forum to address community noise issues related to aircraft operations at O'Hare International Airport. The Commission encourages orderly public participation and has established the following guidelines for presenting comments and questions at our meetings:

Questions or comments should only be limited to items placed on the meeting agenda, or those that are included as part of the Commission's Work Plan, which focuses on aircraft noise mitigation at O'Hare International Airport.

If you wish to address the Commission, please complete the Comment/Question card outlining the question or area you wish to address

Before making comments or asking questions, identify yourself to the Chair and Commission members by providing us with your name and address.

The Commission does recognize that public input is important and appreciates your cooperation regarding following the above guidelines.
