

New O'Hare Runway Opens November 5, 2020

Modernization of the airfield at O'Hare International Airport reaches the next milestone on **November 5, 2020**, with the opening of a Runway 9C-27C on the north airfield.

- Initial use through Spring 2021 will see it used as a departure runway during East Flow
- By Summer 2021 it will be used primarily as an arrival runway in both East & West Flow, but it may also be used for departures
